

What is Ywam?

Ywam - Youth with a Mission

In September, we will be heading to YWAM Kona (located on the University of Nations campus in Kuala Kona, HI).

The primary goal of YWAM is to obey Jesus' command to go into the world and make disciples of all nations (Matt.22:37-38;28:18-20). The founder Loren Cunningham (and his wife Darlene) saw the passion and energy of young people and wanted to channel it toward missions and ministries. YWAM now trains disciples, young and old, to have the necessary tools to effectively evangelize and minister to people all over the world.

We will be completing a Community Transformations DTS (Discipleship Training School), which includes 3 months of classroom preparation and 3 months of outreach (see inside for more info).

YWAM has thousands of bases all over the world! One amazing fact is no one is paid at YWAM from the founder, Loren Cunningham to the staffers. It is all done through partnerships with friends and family.

Partner with us!

As you can imagine, there is financial needs involved in becoming a trained disciple and going on an outreach around the world. The cost for the Discipleship Training School is the bare minimum needed to run the Kona base and all the facilities. None of the YWAM staff is paid from Loren Cunningham, the founder, to the staffers. This allows more resources to go to the primary mission of spreading the Gospel!

Community Transformations DTS

Just as it sounds the Community Transformations Discipleship Training School takes advantage of the amazing power that Jesus has to transform communities if you just follow Him.

Not your typical education

The Community Transformation DTS educates and encourages while helping its students get to know God more intimately. The teachers, classes, speakers and local outreaches will constantly challenge us to go out on faith and trust God to lead us where He wants us to go. Classroom speakers include authors, missionaries and visionaries, that all have one trait in common—a love for Jesus and a passion to share about Him. They come to ignite a contagious fire to share about Jesus.

Seeking God and Reaching Out

After 12 weeks on campus, where God molds us and prepares us, we go out to the nation we feel God is leading us and share the contagious fire that is the message of God's Love! On the top right are the nations that we will pray about and then traveling to.

It truly is contagious!

After hanging out with many friends and family who have completed a YWAM DTS, we could see that this experience is life changing—both during the DTS and after! It prepares us to be disciples not only in the foreign countries we will visit but also in every day life at our jobs. I feel God has put the desire in both of our hearts for Youth with a Mission and a thirst to get to know Him more and be a part of fulfilling the great commission...

Matthew 28:16-20

16 Then the eleven disciples went to Galilee, to the mountain where Jesus had told them to go. 17 When they saw him, they worshiped him; but some doubted. 18 Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. 19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."
